

# Updated Needs for Hygiene Kits and Baby Kits

Thanks to everyone who donated items for the baby and hygiene kits for Church World Service. The youth were able to assemble one baby kit and 10 complete hygiene kits this afternoon. We have lots of items left over and with a few more donations, will continue to assemble more kits each Sunday at the beginning of Chi Rho.

## **To complete 12 more baby kits, we need:**

60 cloth diapers

14 t-shirts or undershirts (no Onesies)

24 sleepers or gowns

11 sweatshirts or sweaters (can be hand-knit or crocheted)

**(we have plenty of blankets and washcloths)**

## **To complete 55 hygiene kits we need:**

55 hand towels, approx 16"x28"

55 wide-tooth combs

55 nail clippers

55 toothbrushes (individually packaged, multi-packs won't work)

22 bars of soap

**(we already have plenty of band aids and washcloths)**

Thank you so much for your continuing support of Week of Compassion, Church World Service, and the people of Haiti.
